

04/17/2009

Effective April 17th 2009 Eastco.Corp. of Oak Lawn, Illinois has purchased all of the assets, inventory and ongoing operations of PACE Illumination of Vancouver ,British Columbia, Canada, in a private transaction for an undisclosed sum. PACE is a manufacturer of architectural specification grade exterior and interior lighting fixtures. PACE also markets and distributes the D.W.Windsor lighting products from the United Kingdom in Canada and the United States.

Eastco Corp. regards the acquisition of PACE as a strategic component in their effort to grow their lighting business. Eastco Corp. owns and operates Canlet Lighting, (www.canlet.com) a manufacturer of non-metallic lighting fixtures.
